

Marie Biancuzzo's **Lactation Exam** Review **2018**

Breastfeeding Mothers Policy

Quiet babies in arms (non-mobile and younger than 5 months) are welcome. However, crying babies or noisy, active babies make it very difficult for the mother and other participants to concentrate on course material. We encourage you to bring a caregiver to look after your baby's needs outside of the learning room during the course. If you bring your baby, please choose a seat that allows you to leave the room as needed. It is likely you will need to step out of the room to attend to your baby's needs throughout the day.

Tell us how you did!

We want to know how well we prepared you for the IBLCE exam. Use our confidential form to report your score and you will be entered into the contest to win a \$100 Amazon gift card. Watch your e-mails after scores are released for the contest announcement and instructions.
